One of the many personal achievements of Grandmaster "Iron" Kim is the Kyong Gong Sul Bope (flying side kick). Above is Grandmaster jumping from the top of a building. (The roof is visible in the lower right corner). In 1970, Grandmaster "Iron" Kim demonstrated Kyong Gong Sul Bope by jumping from the equivalent of an 11-story building. In 1972, Grandmaster "Iron" Kim again demonstrated the Kyong Gong Sul Bope movement by jumping from the equivalent of an 8-story building both times landing without injury onto a sloped surface below.

The objectives of Toys for Tots are to help less fortunate children throughout the United States experience the joy of Christmas; to play an active role in the development of one of our nation's most valuable resources – our children; to unite all members of local communities in a common cause for three months each year during the annual toy collection and distribution campaign; and to contribute to better communities in the future.

The primary goal of Toys for Tots is to deliver, through a new toy at Christmas, a message of hope to less fortunate youngsters that will assist them in becoming responsible, productive, patriotic citizens.

October through December 2014 students and their families, from the School of Oom Yung Doe in Largo, collected toys for the Toys for Tots program.

Instructors and students from schools all across the country challenge themselves daily to improve their mind, body, and spirit through Traditional Martial Arts Training. By improving in this way students benefit themselves, their families and their communities.
